Session Objectives

Appreciation and Thank You Breakfast:

We wish to take this opportunity to acknowledge and thank you, our preceptors, for the hard work, time, and dedication you have provided in training our students. New preceptors are welcome.

PharmD Information and Update Discussion:

The purpose of this session is to provide preceptors with an update of the progress toward the PharmD curriculum. It will provide information regarding implementation of the entry level PharmD degree scheduled to begin September of 2017. Opportunity will be available for participants to ask questions and provide feedback.

Objectives for the Evaluation and Assessment Session:

Upon completion of this session, the participant will be able to:

1. Describe the College assessment principles and process
2. Describe the linkages between assessment and the AFPC outcomes
3. Assess students utilizing the U of S pharmacy assessment form through use of a simulated case scenario and peer feedback
